

There's so much to do before the big day. Let us help guide you on ways to keep your newborn healthy from start.

Visit www.VaccinateYourBaby.org to learn...

How getting flu and pertussis vaccinations while pregnant protects your newborn.

Why it's important to follow the CDC's recommended schedule.

Which vaccines your baby needs and when each is due.

Why your baby needs the Hepatitis B vaccine *before* leaving the hospital.

How vaccines are continually monitored for safety.

What to do if you can't afford to pay for vaccines.

Where to go for reliable resources on children's health.

And much, much more...

This flier is supported through funding provided by the CDC through cooperative agreement 1U38IP000455-1.
